PROCEDURE FOR OBTAINING CME CREDITS:

EUROPE

IMCAS is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide CME credit activities for physicians. The EACCME is an institution of the European Union of Medical Specialists (UEMS).
For more information log in to www.uems.eu.

European CME credits are available for all specialists (subject to particular agreements between your country and the EACCME).

- Contact your national medical authorities in your home country in order to validate the European CME credits and to convert them into your national CME credits.
- Send your Certificate of attendance to your national authorities.

IMCAS Annual World Congress 2018 has been designated for a maximum of 32 CME credits:

- Annual World Congress 2018: 00913 – 24 CME Credits
- Injection Cadaver Workshop 2018: 00914 – 8 CME Credits

Participant should claim only the credit corresponding to the extent of their participation in the activity.

USA

AMA (Conversion via EACCME Credit):
EACCME credits are recognized by the American Medical Association towards the Physician's Recognition Award (PRA). In order to apply for conversion of EACCME credits into AMA PRA Category 1 Credits (conversion ratio 1=1) :

- Download the «Application for EACCME Credit Conversion» on AMA web site (<http://www.ama-assn.org/ama/pub/education-careers/continuing-medical-education/cme-forms.page>)
- Once completed, submit your application by fax or mail, along with your EACCME Credit Certificate and processing fee. A certificate awarding AMA PRA Category 1 Credits will be e-mailed within 3 weeks.
